

Would you like the lawn you've always dreamed of, looking beautifully green whatever the weather all year round?

STM is fast becoming one of the UK's leading name in artificial grass.

We can provide you with a wide selection of artificial grass surfaces that looks, feels and plays like the real thing. With no maintenance required keeping your freetime to yourself!

FAQ's

Q. Can STM grass be laid on any surface?

A. Yes, it can be applied to most surfaces, soil, turf or concrete. It also works into the contour of your garden. We can even lay it on decking and roof top balconies.

Q. Is STM grass safe for children & pets?

A. Yes, the grass has passed numerous safety tests. The safety grass will not graze skin and children will not be able to pull it out. Our 'STM-PLAY' system is the perfect surface for play equipment with options of critical fall height pads.

Q. Can sunlight damage or cause fading to STM grass?

A. New technology has developed UV stabilised fibres which protects it from sunlight, keeping the grass beautifully green all year round.

Q. How long will the STM grass last?

A. Up to 20 years of maintenance free grass.

Q. Is STM grass environmentally friendly?

A. Yes. It will not need watering, weeding or require chemical spray and will not need cutting so there'll be no grass clippings for you to dispose of.

STM will provide a **FREE** design & quotation.

Option 1 - Supply only

Complete with installation guide.

Option 2 - Supply & Installation

Leave it to us, we'll do it all.

'looks and feels like the real thing'

Imagine having a lawn that does not need cutting, weeding or seeding with no muddy patches?

Just think...

- No watering
- No maintenance
- Flame retardant
- Completely porous like real grass
- Available with fall heights for play areas
- Fantastic grass for 20 years
- Soft & natural looking

“Just beautiful green grass all year round, season after season.”

STM product packages are:

Easy Living

Our most popular surface for gardens. It looks natural, is superbly soft and comfortable to walk on.

Play

Children playing football on slides, swings and trampolines can cause worn out areas. This hardworking grass is tough and robust which will not break down even under extreme pressure.

Luxury

Is the high end choice and ideal for you perfectionists out there. Super-neat, short cut grass that looks immaculate.

GOLF

Design your own professional putting greens in your garden. Work on your short game whenever you want whatever the weather.

20 Year life span

5 Year guarantee

Free Draining

Tested for UV stabilisation

Flame retardant to BS EN ISO 11925-2

Soft, lush, naturally looking and practical.

This super tough surface withstands everything life throws at it. Children and pets can play on it to their hearts content. Whatever the conditions our STM artificial grass maintains resilience and looks fantastic all year round.

That's nice of you to say...

“Very quick and clean installation. The children love it and we are delighted with the result.”

Paul Bedford

“STM measured the decking area and suggested the type of carpet we needed. It was that simple!”

Nicola Bell

“Just to say thank you, the lawn looks great. The guys did a brilliant job. We are over the moon.”

Sandra Noble

“Our grass was laid in a day and now the garden looks fantastic and natural even under the kids trampoline.”

James Bennett
